ABOUT KARMI

KARMI is all about weaving comfort for homes and business. We make your life comfortable by providing one-stop home repair and maintenance solutions by a team of dedicated and well-trained electricians, plumbers, carpenters and painters. Through KARMI, the customers will get access to a wide range of handymen who could provide each and every repair and maintenance service at their homes and offices. We provide various services at reasonable rates.

Sajilo is our commitment to bring professionalism, good service and trust to the repair and maintenance business. We take immense pride in sending some of the most professional handymen to your homes to fix things that aren't working.

MISSION

KARMI's mission is to provide knowledgeable, convenient, and reasonably-priced handyman service to the Kathmandu community. KARMI will provide every customer with an honest day's work and will fix anything that is not done right.

KEYS TO SUCCESS

- Treat every customer as if they were the most important customer the business has.
- Honestly evaluate the needed skills for a job, passing it onto a larger contractor if it is too difficult as opposed to taking on a job that cannot be completed perfectly.
- Work hard, guarantee all work and promote 100% customer satisfaction, if this is done profitability will fall into place.

WHY CHOOSE KARMI
